DURHAM MARRIAGES.

Four Happy Events in That City on Wednesday.

The marriage fever seems to have struck Durham in full force.

Yesterday's Herald gives four events which occurred Wednesday, as follows:

Mrs. Dora Heartt to Mr. Wm. M. Jones, at 2 o'clock, at the Presbyterian church, by Dr. L. B. Turnbull, pastor. The happy couple left for their future home in South Carolina.

Claude L. Johnson and Miss Mattie Carlton, at the First Baptist church, by Rev. W. C. Tyree, pastor. The bridal party left for Raleigh and vicinity to spend their honeymoon.

M. C. Riggsbee and Miss Annie Monk, at 2:30 o'clock, at the residence of J. J. Ragen's, near Main Street church, by Dr. Caviness, pastor of Carr church.

Robert L. Penny, of Wake county, to Miss Tilley, at 3:30 o'clock, by Dr. Caviness.

Did Not Known His Own.

A certain gentlemen dined at the Benbow yesterday and took much ice cream. He came out and put on an overcoat and went down to the McAdoo to see some friends. While there he discovered that he did not have his own coat and made a break for the Cape Fear depot to find the man who was trying to get off with it. Meanwhile another diner at the Benbow missed his coat and the clerk found one with the ice cream eaters name on it and a servant was dispatched to find him: He found him but he insisted that Manager Perkins at the McAdoo had let somebody carry off his coat. After much patient work he was convinced that he had not left his coat at the McAdoo and induced to accept his own. But he has never been convinced as to where he dined.

EMBEZZLER TWENTY YEARS.

Cashier Foster Found to Have Robbed the Bank of $20.000.

Augusta, Me., Nov. 24—The books of Cashier of the Lubec Savings Bank are in the hands of State Bank Examiner Timberlake. They show defalcations that may have been begun as far back as 1876.

Foster kept two sets of books. In one set which was never shown to the examiners, was entered about $14,000 that did not appear on the books of the bank. The total amount stolen by Foster is probably not far from $20,000 and this money he used to support his family.

Foster is more than 70 years of age, and broken in health and probably cannot live long.

An Offer.

A Greensboro gentleman, who is dissatisfied with the result of yesterday's game in Charlotte, makes the following offer: He will put up $150, Charlotte to do the same and the game to be played on any grounds other than Chartlotte's, the winning team to take the $300 and all the gate receipts, the contesting teams to be the same as on yesterday.

The Secretary of State decides, as acting insurance commissioner, that a Washington, D. C., firm cannot write an insurance policy on the life of a man in North Carolina; that it is unlawful to solicit such "overhead" insurance. Yet if agents living outside of the State thus violate the law there appears to be no way of getting at them.

YESTERDAY'S BALL GAMES

Greensboro and Charlotte Play the Game to a Standstill.

AND THE SCORE WAS 0 TO 0.

Some Squabbling Before the Game, But it Was a Great Game and the "Best of Feeling Prevailed."

There was a good deal of squabbling yesterday before the Greensboro-Charlotte game, and there came near being no game at all, but fortunately for the manly sport and for the good name of both teams matters were finally adjusted and those of the spectators who remained were treated to such an exhibition of football as is seldom seen on the gridiron. It was clean, gentlemanly and manly sport. No rough playing, no slugging and little fouling. The score is sufficient evidence that the teams were evenly matched. Nevertheless as seen from the side lines Greensboro had slighly the better of the game. The team work of the eleven was better and the playing more steady while Charlotte had somewhat the advantage on spurts. Greensboro outrushed and outkicked Charlotte while Charlotte had slightly the better of it on runs. It is possible that if 30 minutes halves had been played Greensboro would have won, by her superior team work, though it is by no means certain and it is, therefore, best to let the score as it stands speak for itself. Charlotte was on the defensive for the greater part of the game and the ball was out of her territory but once. The ball was never near to either goal.

With reference to the misunderstanding before the game it was all over one player. Charlotte wished to play Spence, who has been playing with Davidson College. Charlotte claimed he was eligible, and that was all of it, Charlotte finally agreed to play without Spence.

The Charlotte Observer gives the following impartial account of the misunderstanding:

Mr. Michaux firmly refused to allow his team to play, upon the ground that Spence was not a member of the home team and was not eligible to take part in the game. Later, Mr. Guion called on Mr. Michaux, and stated that Charlotte would agree to play without Spence provided the game would not be for the championship of the State. To this Mr. Michaux assented, and upon this understanding ordered his men to dress, after which they went to the ground. When the game was about to be called, Spence appeared in the field, and thereupon Greensboro refused to play."

Charlotte then ageed to take Spence from the team, and the line-up of the teams was as follows:

THE LINE-UP.

CHARLOTTE (0)		GREENSBORO (0)
Landis	right end	Gilmer
Mahan	right tackle	Boycott
Pope	right guard	Wright
Leisel	centre	Jordan
Guion	left guard	Daniels
Grier	left tackle	Buchanan
King (Capt.)	quarter back	Douglas
Stephens	left half	Wharton
Harrison	left half	Devin
Alexander	full back	Caldwell (Cap)

Referee—Mr. Taylor, of Greensboro. Umpire—Mr. Dodsworth, of Charlotte. Timekeepers—Mr. Fitzsimmons, of Greensboro, and Mr. Durham, of Gastonia. Time—Two 15 minute halves. Score—Greensboro, 0; Charlotte, 0.

Caldwell and Devin showed ground gaining qualities, Douglas played a steady quarter, Gilmer was quick at end and Wright did excellent tackling, while the way Jordan went through Leisel and blocked a kick was the star play of the game.

The N. C.--Va. Game.

The University boys breakfasted at the Benbow this morning on their way home from Richmond where they gave battle and noble battle too to her gridiron champions yesterday. Virginia expected an easy victory and a big score with a blank to the credit of Carolina but in the big score they were disappointed just as they were surprised at the great game put up by the Tar-heels. The report to the News & Observer says:

The gladiators of the University of Virginia have fought another hard battle with their adversaries of the University of North Carolina, and one more victory perches over the Orange and Blue banner. The score was 12 to 0. It tells of a victory as fair as it was complete, and surprising only from the fact that it was not more disastrous to the Tar-Heels. It was a foregone conclusion that Virginia would win and odds were freely laid that the score would reach at least thirty points in her favor. Except in kicking Virginia men outplayed the North Carolinians in every department, but the defensive work of the latter was superb and though the Virginians played an aggressive game from start to finish and kept the ball well within their opponents's lines, their repeated efforts to score were defeated by brilliant mass plays.

The North Carolina team has improved very much of late, and that uncertainty which makes the sport attractive, was demonstrated when the young athletes of the White and Blue, lighter in weight by twenty pounds and lacking confidence, met their opponents at every point and gave them the battle of their lives. The game was remarkable for the number of kicks made. The ball changed hands frequently, but neither side kept it for any length of time. For Virginia, Carney was the bright particular star, while for North Carolina Beldon did yeoman service. Virginia scored the first touch down and kicked an easy goal early in the first half, and the second just half a minute before time was called in the second half. There were many fumbles, but few off side plays. Heretofore the rivalry between the Universities has been so keen that much animus has been displayed in the games, but one of the pleasantest features of the struggle today was the fact that there was not a harsh word passed, and there was no slugging.

HER SIGHT RESTORED IN CHURCH

Mrs. Brazil Believes That Her Blindness Was Removed by Prayer.

Kankakee, Ill., 23—During the forty hours' devotion at the Chebanse Catholic Church recently Mrs. Michael Brazil recovered her sight after two years of blindness.

Mrs. Brazill had prevously consulted specialists at Kankakee and Chicago, and had been told that nothing but an operation would restore her vision. To this she would not consent She prayed incessantly that her sight might return, and had faith that her petitions would be answered. She attended the devotional exercises and groped her way to the altar, where she asked the priest, the Rev. Father O'Mara of Chicago, to intercede for her. Almost instantly she announced that she saw as well as before she was afflicted.

PINGREE'S ASPHALT LAKE.

Venezuela Said to Have Sold Him a Twenty-Million Dollar Concession.

Detroit, Nov. 24—One of the closest friends of Gov. Pingree in this city said today that before long the Governor and his associates would be the owners of the most valuable asphalt lake on the eastern coast of Venezuela.

The arrangements for the purchase of this lake, which is on an island, were made during the recent visit of the Governor, and the estimated value of the island is $20,000,000. A company is to be capitalized under the Michigan laws at $750,000 and articles of incorporation will be drawn up within the next three weeks. The contracts are expected by the next steamer.

H. K. Reid Dead.

H. K. Reid, one of the oldest and most respected citizens of Reidsville and one of the family from which the town was named, died there yesterday about half past eleven o'clock. He was a leader in business and religious circles in his town. He was a member of the Baptist church. Dave Settle, a brother of ex-Congressman Thomas Settle, is an adopted son of Mr. Reid and will probably fall heir to a large share of Mr. Reid's very considerable property.

Fell 105 Feet.

Special to THE TELEGRAM.

Reidsville, Nov. 26.—While painting the 125 foot smoke-stack at the Edna cotton mills yesterday, Ellery Cole, a Greensboro painter, 23 years old, lost his hold and fell 105 feet. He sustained what are thought to be only slight injuries, chest bruised and three ribs broken. At 3:30 this afternoon he was resting easy and his physician thinks he will get well.

THE BRILLIANT BAL POUDRE

An Unusually Large Number of Dancers and Onlookers.

AND EVERYBODY WAS DELIGHTED

There Was Good Music, Beauty and Lovely Costumes and They Danced on Till Morning.

The Bal Poudre, given under the direction of the Crocail club on Wednesday evening, was the most brilliant event in the way of a ball that has gladdened the hearts of the dancers here for many a day. From 9:30 to 4 o'clock in the morning all went as merrily as the sweet strains of Greensboro's youthful but excellent orchestra. Never was the beauty of Greensboro out in greater force nor the capacity of her young men for entertaining beautifully and well more in evidence. The hall was crowded with spectators and the floor awhirl with "the dancers dancing in tune." And what is more striking than a ball room floor filled with handsome ladies and courtly gentlemen well costumed? One might almost fancy that the days of the Louis had come back again—the dear, stately romantic old "days that are no more." Some of the costumes of both the ladies and gentlemen were very beautiful. The powdered wigs and knee buckles, the laces and frills and gowns of centuries agone make modern costumes look very unpoetic.

J. Simpson Schenck, the graceful and veteran leader, lead with Miss Walker Fry who was beautifully costumed in white silk and wore pink roses. The other couples were Miss Virginia Bernard, organdie over yellow silk, chrysanthemums, with John Cator; Miss Stewart in blue cloth and black satin, with M. B. Shrier; Miss Mabel Kase, pink crepe de chine and diamonds, with Richard DeButts; Miss Lillian Staples, white corded silk watteau, point lace and pearls, with Mr. Leftwich; Miss Madeline Douglas, white organdie over blue silk, with W. G. Mebane; Miss Margaret DeButts, blue tamise, with Will McAdoo; Miss Beulah Barker, of Salisbury, white silk, green velvet and diamonds, with Stamp Howard; Miss Julia Settle, apple green silk, black lace, with Mr. Miller, of Chapel Hill; Miss Nettie Sloan, white organdie, with J. Wesley White; Miss Mary Lou Brodrick, white organdie over red satin, with T. Horry; Miss Pearl Balsley white organdie, tulle and forgetmenots, with Junius Scales; Miss Westcott, of Hoboken, N. Y., white silk, with Appleton Staples; Miss Lucy McAden, of McAdensville, white organdie and diamonds, with James Williamson, of Graham; Miss Annie Leftwich, cream satin and diamonds, with Charles Hagan; Miss Cora Holt, of Graham, pink taffeta and pearls, with B. S. Mebane; Miss Allie Joyner, of Baltimore, pink chiffon over pink silk, diamonds, with Hal Mebane; Miss Sarah DeButts, yellow organdie, with Mr. McMackin; Miss Gray Morehead, black cloth, with Robt. Mebane; Mrs. James Williamson, point lace and diamonds, with Mr. Williamson; Miss Rebecca Schenck, yellow satin, with H. C. Berger.

CHAPERONES.

Mrs. Col. A. H. Leftwich, black satin and diamonds, Col. Leftwich; Mrs. Harry Martin, black satin, white lace, diamonds, Mr. Martin; Mrs. Stewart, Mr. Stewart; Mrs. Frank Mebane, brown cloth and sable; Mrs. Lewis Clark, black and canary satin; Mrs. Sam Gilmer, Mr. Gilmer, Mrs. Walter Kase, Mr. Kase; Mrs. Devenish, Mr. Devenish; Colonel Howlitt in diamonds.

STAGS.

Percy Gray, Dewitt Kase, Everett King, John Norwood, Chapel Hill, J. A. Rankin, J. Gayle, John Michaux, John Tate, Lyn, Walter and Finley Williamson.

The warmest praise was heard on every hand for the orchestra composed of Claude Elam, leader, Henry Turner, Jay Boone, Luke Andrews, Nay Forbes.

Going the Right Way.

The South will have her innings some time is being shown in a number of small ways of late years. Formerly cars going north were loaded with raw cotton chiefly, but of late years there is a greater and greater variety. This morning two car loads of Georgia marble passed through on the Southern. And the cars were marked to Norcross Brothers, State house, Providence, Rhode Island. And the marble of Massachusetts and New Hampshire so close at hand! "Ther'll come a time some day."

Facts Worth Studying.

If the Southern Stock-Mutual pays no larger dividends than the 20 per cent. now paid, and the business increases during the next seven years in the same ratio it has increased during the last three years, the actual saving for the ten years to policy-holders in North and South Carolina will be $194,822.00, and to the policy-holders in Greensboro alone, $26,237.00. Besides this the Company's assets (reinsurance reserve and surplus) represented by still larger figures will be kept at home and invested in the state. What better investment can the public make than by upholding an institution like this?

There are some people in this country that hail the advent of winter with delight at any rate—explorer Greely's Eskimos.

Despite the kindly efforts of the press Mr. Corbett and Mr. Fitzsimmons decline to do anything in pugilistics save of a pneumatic order.

The fact that no deaths were reported from yesterday's games, and no serious injuries, will be hailed with chagrin by the evangels of spider legs and narrow chests.

When the dispatches say that there is a "crisis in the Austrian cabinet" it is only a diplomatic way of saying that chairs and heads are being fractured, "in old Vienna."

General Weyler does not seem to have forfeited any of his old time facility in sending out bulletins favorable to himself, since his return to the shores of his native country.

Arbuckle and the sugar trust continue to roast one another and the price of coffee still falls. The winner in the long run will be the one who can work in most roasted beans.

Japan is reported to be greatly exercised over the occupation of Kiao Chau by the Germans. That is only to be expected. With the present dimensions of her head she feels justified in grumbling if somebody else acquires a graveyard.

THE GERMANS AT KIAO CHAU.

The landing of the Germans at Kiao Chau is just now exciting a good deal of attention and may lead to international complications. The New York Sun furnishes information going to show that Germany has long had some such step in contemplation:

"If China's account of the landing of the Germans at Kiao Chau Bay is correct, they jumped at their opportunity. The Foreign Office at Pekin says that when the bankits killed the two missionaries it ordered the Governor of Shantung to arrest the culprits, and the capture of the four of them was effected, but meanwhile, indeed only the day before, without notice to the Board of Foreign Affairs, the Germans landed troops and occupied the forts.

"We understand that, year before last, one of our warships on the Chinese coast was applied to by a German vessel for charts of these waters, 'and particularly requested detailed charts of the harbor of Kiao Chau.' The Germans have since, as we are informed, verified these charts and made more extended surveys of the place. 'When the German naval officers at that time discussed the probability of their occupying that port, the murder of German missionaries was not mentioned.' The existing importance of Kiao Chau may have been somewhat exaggerated in the despatches, but its possibilities, both stragetic and commercial, are undoubtedly great.

"The belief that the German cruiser which has just gone from Crete through the Suez Canal is intended to reinforce the squadron at Kioa Chau, although China has shown no signs of hostility, and has taken the German landing most meekly, is another indication that, as Germany jumped at the excuse afforded by the murder of the missionaries, so she intends to improve it to the utmost. Certainly there is no other reason manifest why the squadron should be reinforced."

Thus it will be seen that Germany's pretensions that the seizure of the port is due to the murder of German missionaries is pure bluff. It is the old case of taking all you can and holding what you may.

Not a Dynamite Tube.

Havana, Nov. 25—The tube reported to have contained dynamite, which was found by a man subsequently arrested by the private watchman of the American consulate building yesterday afternoon, near the door of the consulate is classed in official circles as being nothing more than a joke. The man arrested is believed to be the individual who placed the tube where it was found, but in order to guard against any possibilities, the Spanish officials are taking precautions to guard the United States consulate and to protect the United States consul general, Gen. Fitzhugh Lee.

The Vote of Massachusetts.

Boston, Nov. 25.—The Executive Council issued today the official vote of the State at the last election. The vote for Governor is as follows: Roger Walcott, Rep., 165,095; George Fred Williams, Dem., 79,552; William Everett, National Dem., 13,879; Thomas C. Brophy, Socialist Labor party, 6,301; John Bascom, Prohibitionist, 4,948. The Prhibitionists and Socialists failed to poll the requisite 3 per cent. vote, and are no longer legally considered political parties.

Attacked by the Patriots.

Havana, via Key West, Nov. 25.—The town of Guanabacoa, three miles from Havana, was attacked last night by the insurgents under Col. Aranguren. They plundered the well-known store La Gallega, and secured a large amount of provisions and money.

To Blockade Constantinople.

London, Nov. 24.—The Rome correspondent of the Daily Chronicle says: The report is confirmed that the powers have decided to blockade Constantinople in case Turkey refuses to withdraw her troops from Crete and to accept a European Governor of the island.

S. H. Fishblate Assigns.

Wilmington, Nov. 23.—S. H. Fishblate, dealer in ready-made clothing, made an assignment today. The assets, estimated at $25,000, are said to exceed the liabilities. Preferences amount to $12,000 or $13,000.

Are You Subject to Attacks of

COLIC?

If So, There is No Need to Suffer.

Mrs. Joe Person's Remedy

WILL CURE YOU

For several years I had been subject to severe attacks of cramp colic. Sometimes they would last me an hour and hardly a week passed that I did not have several attacks. I tried everything that was suggested, but found no relief. During these attacks the muscles of the arm and leg were terribly drawn and the whole body was cramped. I was advised to try Mrs. Joe Person's Remedy, which gave me relief at once, but not until I had taken two dozen bottles was I entirely cured. It was eight years ago since I took the remedy, and I have not had a touch of the trouble since.

HARRIS' LITHIA WATER

OF SOUTH CAROLINA.

Contains More Lithia than any Natural Lithia Springs Water on the market. There are a great many so-called Lithia Waters on the market whose analysis show that they contain only traces of lithia. It seems that if you wish a Lithia Water you should examine the analysis of the waters and find out how much they contain. The analysis of Harris Lithia Water was made by the noted R. Ogden Dosemus, M. D., LL. D., Professor of Chemistry and Physics, College City, of New York. If the Harris Lithia Water is not Superior to any other water on the market, do you think that the following noted physicians from all parts of the country would give their testimonial, stating that it was? They have no interest in the Harris Lithia Water.

After a long and varied experience in the use of mineral waters from many sources, both foreign and domestic, I am fully persuaded that the Harris Lithia Water possesses efficacy in the treatment of afflictions of the Kidney and Bladder unequalled by any other water of which I have made trial.

This opinion is based upon observation of its effects upon my patients for the past three years, during which time I have prescribed it freely and almost uniformly with benefit in the medical maladies above mentioned.

Columbia, S. C., Oct. 8, 1892. A. N. TALLEY, M. D.

Mr. J. T. Harris:—Dear Sir: I have found the use of the water from your Lithia Spring in South Carolina so efficacious in the case of a young lady patient of mine, who has suffered for years with Diabetes, with all its different attendants, that I want to add my testimonial to the many you already have. The patient I refer to has used the water freely at home for scarcely a month now, with more beneficial results than from months spent at the different noted lithia springs in different parts of the United States, besides long continued use of the same waters at home. Others of my patients and friends are now using the same with best results. I cordially recommend it to all suffering from similar diseases. Very respectfully yours,

THOMAS S. POWELL, M. D., Pres. Southern Medical College, Atlanta, Ga.

Read what Prof. Jos. Jones, of Tulane University, of New Orleans, has to say in regard to the virtues of Harris Lithia Water:

New Orleans, La., Aug. 13, 1894.

Harris Lithia Water Co., Harris Springs, S. C.:

Gentlemen—I have used, with great benefit, the case of water sent me, and regard it with favor, being highly charged with Lithia.

Respectfully, JOS. JONES, M. D.

June 12, 1893. Mr. J. T. Harris, Harris Springs, S. C.:

Dear Sir—I have used the Harris Lithia Spring Water for the past year in all renal troubles, with prompt and efficient effect. In gouty and rheumatic troubles I consider this water superior to the Buffalo Lithia Spring water. I suffered from an attack of rheumatism for eight months, during which time I drank the Buffalo Lithia water constantly for four months without effect. In November last I had a case of Harris Lithia Water sent to me, and after drinking it for about three or four weeks, the pain and stiffness left my limbs and I have not been troubled since. I feel that I can safely recommend the Harris Lithia Water. Respectfully,

Savannah, Ga. R. B. HARRIS, M. D.

"The Harris Lithia Water is, in my opinion, unexcelled for those ailments requiring the salts it contains. THEO. LAMB, M. D.
Professor Diseases of Chest and Principles of Medicine, Medical Department, University of Georgia.

Asheville, N. C. April, 24, 1893.

An extended clinical use of the Harris Lithia Water prompts me to the statement that I regard it as one of the best, if not the best Lithia Water known to the profession. In the condition of Phosphatic Urine, its action is marvelous. Its use in the Rheumatic and Gouty Diseases afford me more comfort than either the Buffalo or Londonderry Waters. Very truly yours,

JOHN HEY WILLIAMS, M. D.

Atlanta, Ga., April 20, 1897.

I have used for sometime Harris Lithia Water in my family, and also with my patients, and find it is the best Water I ever used in catarrhal condition of the uretus and bladder. It is also a good diuretic Water.

G. G. ROY, M. D.

Charleston, S. C., Sept. 20th 1893.

Mr. J. T. Harris:—Dear Sir: I am constrained to send you this testimonial of the efficacy of the Harris Lithia Water. The value of the testimonial may be enhanced from the fact that it goes to you unsolicited. As a friend of humanity. I feel bound to withhold my knowledge of its virtues no longer. I have been using the water for more than a year with marked benefit. To any one troubled with kidney disorder, it is the remedy par excellence. I prefer it to the Buffalo Lithia Water. Very truly yours,

A. C. KAUFMAN,
President Vanderbilt Benevolence Association of Charleston, S. C.

Mr. J. T. Harris, Proprietor Harris Lithia Springs:

Dear Sir—While it is contrary to my custom to give testimonials to remedial agents, I feel free to attest to the efficacy of the Harris Lithia Water (when used in large quantities) in the Rheumatic and Gouty Diatheses; in Inflammation of the Bladder, and in all cases where there is an excess of solids in the urine. Yours respectfully,

Columbia, S. C. GEO. HOWE, M. D.

The waters of the Lithia Springs are odorless, free from color, with a pleasant saliney taste, rather palatable. When taken in considerable quantity, they do not nauseate, purge or produce any feeling of discomfort. I find from the analysis of the waters, they contain Chloride Sodium, Carb. Potash, Carb. Soda, Carb. Lithia, Carb. Iron and Sulphate Magnesia. These waters act directly upon the mucous coating of the stomach and alimentary canal, they are powerfully alternative and tonic. They are everything to inflamed or irritated surfaces. They act upon the blood, changing it from acid to alkaline. In Indigestion, Catarrh of Stomach and Gastralgia, supplemented with a proper diet they are a certain cure. The action upon the kindneys is marked. The Sodium, Potash, Soda, Lithia, are the best solvents of uric acid, all calculi of an acid character, whether litary or cystic, are steadily dissolved. I am confident that the profession will find it very useful in cases where this class of water is required. Respectfully,

Waterboro, S. C., April 10, 1892. J. Q. WILBUR, M. D.

Camden, S. C., Aug 24, 1893.

Mr. J. T. Harris:—Dear Sir: I enclose you in this letter several small pieces of calculi passed by a patient of mine, who has been taking the "Harris Springs Water" for the past eighteen months. This gentleman has been a sufferer for two or three years with Cystitis, caused from stone. The solvent power of the water has been, I think, clearly demonstrated in this case. All these fragments were passed in two evacuations from his bladder in the past ten days. I consider Harris Spring Water a most excellent remedy in the Uric Acid Diathesis, also in Chronic Dyspeptic troubles.

I am, yours respectfully, A. W. BURNET. M. D.

Chester S. C.

Dear Sir: For the past eight months I have been using Harris Lithia Water with the most excellent results, where I have been able to get my patients to drink a sufficient quantity daily. The carbonated has no equal in Gastric disturbances. It is an excellent table water. It is a pleasant laxative, and is a sure cure for flatulent dyspepsia. S. M. DAVEGA, M. D.

Atlanta, Ga., April 24, 1897.

Mr. J. T. Harris, Harris Springs, South Carolina:

Dear Sir: I have found Harris Lithia Water an exceedingly valuable remedy for persons suffering from Kidney and Bladder Troubles. Therefore take pleasure in recommending it. Respectfully,

JAS. F. ALEXANDER, President Board Health.

Baltimore, June 24, 1896.

J. T. Harris, Esq., Harris Spring, South Carolina:

Dear Sir: I have been using Harris Lithia Water for sometime, and I will say to you that in my opinion that the Harris Lithia Water that is by far the best Lithia Water that I have ever used, and that it has done me a great deal good, and I think it a most valuable remedy.

R. C. HOFFMAN, Pres. S. A. L. R. R.

Atlanta, Ga, April 20. 1897.

Harris Lithia Water Co.,

Gentlemen:—I have used Harris Lithia Water for the past two years and find it a most excellent remedy for dyspepsia and other stomach troubles. I cheerfully recommend it CHAS. M. NEEL, Pres. Ga. Military Institute.

A Fair Proposition.

We will guarantee that one glass of HARRIS' LITHIA CARBONATED WATER will relieve any case of indigestion in one minutes' time or money refunded, or if taken after each meal will cure the worst case of indigestion. You know what the noted Dr. Davega, of Chester, S. C., has to say in regard to it, and there is not a physician in South Carolina who stands higher in the profession than he does, and besides you lose nothing by giving it a trial, as our agents are authorized to refund the money to any responsible person who will not admit that he was benefited by it.

Land Sale

By virtue of a mortgage deed executed by John Bethel and wife Fannie Bethel, on the 28th day of October, 1896, to J. W. Kerr, (since dead) and in consequence of a failure to pay the debt secured in said mortgage, I will sell to the highest bidder, for cash, at the court house door in Greensboro, N. C., on Saturday, December 4th, 1897, the lands described in said mortgage, butted and bouuded as follows:

Beginning on northeast corner of street on Main street leading to Greensboro, thence north 60 degrees east along westerly side of said street 10 1-3 poles, thence north 87 degrees west 14 1-2 poles, thence south 30 degrees west 10 1-6 poles to north side of said street, thence 87 degrees east with said street 14 poles to the beginning, containing one acre, more or less. There is reserved from this sale the lot out of this boundary heretofore sold to Frank Fields.

The above mortgage is recorded in book 102, page 707, in the office of the register of deeds, Nov. 4, 1897.

LAURA KERR, Executrix of J. W. Kerr, deceased.

DIVED FROM THE EADS BRIDGE.

Paul J. Tustin Plunges 130 Feet Into the Mississippi.

St. Louis, Nov. 23.—Paul J. Tustin, high jumper in a theatrical company here, dived from the Eads bridge into the Mississippi River this morning. The jump was 130 feet. It was made from the centre of the bridge, and before Tustin struck the water he turned a complete somersault, striking the river feet first.

The leap was made on a wager between William Garen, manager of the theatre, and the manager of Tustin's troupe. Garen thought the cold weather would prevent the dive. Tustin made the jump in costume. He was picked up by a tug chartered for the purpose. When dressed he was arrested and taken to the Chestnut street police station. A charge of disturbing the peace was preferred against him. He was released on bonds. It is not believed that he will be prosecuted.

Tustin emerged from the river without being hurt, though he complained that the cold air and water had given him a shock.

COFFEE CHEAPER YET.

Rival Roasters Keep Cutting and Futures Keep Dropping.

New York, Nov. 25—The Woolson Spice Company, which is controlled by the Havemeyer interests, has made another cut in the price of its brand of roasted coffee of one-half cent a pound, bringing the price to 9 cents less 1 per cent, for cash. The cut has been met by Arbuckle Bros., of this city and McLaughlin of Chicago. The reduction is ascribed to the fall in the prices of green coffees. It is the lowest price on record for the sale of this brand.

Rio No. 7 on the spot was quoted yesterday as 6½ cents a pound. A new low record was registered for coffee futures. December sold at 5.05 cents a pound, and closed at 5 cents bid, 5.05 asked.

MURDERER IN A BUNDLE.

Cesare Caught While Being Transported as Merchandise.

New York, Nov. 25.—Domenico Cesare, who stabbed and killed Lorenzo Gallitietiella, a tenant in the house 171 Mulberry street, on Sunday evening, was found in a bundle yesterday afternoon in Jamaica L. I., and arrested. Detective Sergeants Petrocino and Krautch were watching the house of a relative of Cesare at Jamaica. Yesterday afternoon a covered wagon was driven up to the place and a good-sized bundle was brought from the house and dumped into it. They followed the wagon a short distance, and then held it up and found Cesare in the bundle.

Cold Blooded Murder.

Way Cross, Ga., Nov. 25—Jerry Johnson, a negro was lynched this evening by a mob near Screven. He was in charge of officers and was being taken to jail at Jessup. A crowd of armed men rode up to the officers and demanded the prisoner. The negro was riddled with bullets. Johnson had been arrested for stealing a mule.

OUTLAWRY IN CHINA.

Bandits Secure an Immense Amount of Plunder.

Tacoma, Wash., Nov. 25.—Canton, China, is terrorized by bandits. Last month a band of 200 robbers attacked Saikin, where a large number of rich Canton families of the clan Lo reside. The robbers pillaged at will. All who resisted, both here and at Kin Kiang village, which they robbed next day, were killed. Gold jewelry and other rich plunder to the value of $3,000'000 were carried away.

These robbers were organized by the late notorious bandit, Chang Wan. As the local officials have taken no steps to suppress outrage of this description, the town governments and merchants of Canton's suburbs have applied to the Governor of Canton to be allowed to engage a force of men at their own expense to protect their property. Upon payment of a good sum their request will be granted.

The contract for a new house to be built for Mrs. D. H. Blair on Walker avenue has been let to C. W. Hoecker. Work will begin at once.

Capt. and Mrs. A. G. Brenizer came up from Charlotte on Wednesday night. Mrs. Brenizer is visiting Mrs. J. A. Gilmer. Capt. Brenizer returned to Charlotte this morning.

It is very gratifying to see that not only new houses are going up, but that so much fresh paint is in use on the old houses. It shows that the spirit of enterprise is general in its effect.

On yesterday morning No. 11, the local train for Charlotte, had just cleared the siding below Salisbury when No. 36, the north-bound fast mail, came by. While there was no real danger, yet to those unacquainted with quick work, it was a trifle exciting.

Part of the Greensboro team returned last night and part came in this morning. They report a very enjoyable evening at the German in the City Hall. They were the recipients of courtesies from the charming ladies of Charlotte and their gentlemen friends as well.

THE MERRYMAKERS.

A Good Play and a Full House at the Academy Last Night.

Rhodes' Merrymakers presented the laughable farce-comedy, "A Midnight Frolic," to a full house at the Academy of Music last night.

The piece consisted of four acts, the fourth being the stage of the Alhambra, which was as pretty as anything seen on our stage this season.

The play throughout was full of complicated situations and mistaken identities which Dibbs, the servant was very handy at solving.

The parts are all well taken, and the audience showed its appreciation by frequent and hearty applause.

The specialties by the entire company in the fourth act were good, and several encores were responded to.

Tonight the company will play "Plunker, Chuggs & Co."

Matinee tomorrow afternoon at 2:30 o'clock.

Woodard and His Company.

Monday night Guy Woodward and his merry company will open their week's engagement at the Academy of Music at popular prices in Mr. Anderson Russell's merry comedy, "A Practical Joke."

The Columbia, S. C., State says in speaking of the company:

At the Opera House last evening an audience equal to any seen in the house on gala occasions laughed itself hoarse. The Woodward-Warren Company opened its week's engagement, presenting the laughable play, "A Practical Joke," and the favorite comedian, Guy Woodward, had everything his own way for two hours. What was more he had his auditors with him.

The company claims—and justly those who were present last night say—to be the best popular price company on the road.

The prices for the entire week will be 10, 20, 30 cents, and ladies will be admitted free tomorrow night if accompanied by a person holding one paid 30c ticket.

A Perilous Feat.

On Wednesday afternoon some work was done on the flag pole on the top of the postoffice building. Quite a crowd collected to see the operation. One of the men on McAdoo's telephone line equipped with climbers on his feet started on the hazardous ascent.

When within a few feet of the top his feet slipped from their hold and he came down with a death grip that left a trail of sparks on the pole. He escaped injury, however, and with a rope tied around his waist he again tried the perilous ascent and succeeded in finishing his work at the top of the pole.

GOLD AND LILAC VICTORIOUS,

Though the Cream and Crimson Put Up an Able Defense.

As a pleasant close for our National Holiday it was the happy pleasure of our people to assemble themselves in the chapel at G. F. College last evening, the occasion of the first public debate between the literary societies of that institution.

Society colors, tastefully arranged in pleasing affects, gave evidence of an intense interest on the part of each.

The Gold and Lilac of the Emerson and the Cream and Crimson of the Irving, blending harmoniously with the White and Green, the College colors, added much to heighten the interest and enliven the audience.

The first feature of the evening's program, a trio, rendered by Misses Currie, Wynne and Black, proved a happy selection in that, under its sweet strains, the intensity of expectancy and suspense was forgot.

Miss Maude England, president of the Emerson Society, in a few well chosen words extended in behalf of the College and Societies the warmest of welcomes.

Miss LeGrande, of the Irving Society, announced the question and the speakers.

The query was: Resolved, That the Regulators Were Justified in Their Movements. The affirmative side of the question was ably represented by Misses Page, Currie and Henderson, of the Irving Society, while the negative side was a little more ably represented by Misses Webb, Heitman and Cole, of the Emerson Society.

As each speaker scored a point, appreciation was not lacking on the part of the audience. Interest from the start ran high. The debaters felt their positions, and with whole-souled earnestness plead for or condemned the movements of the Regulators.

During the whole time allotted to the rejoinders the debate waxed warm, the climax was reached, each speaker had done her best, but how would it result?

The judges, Rev. T. N. Ivey, D. D., Prof. Grimsley and Hon. A. M. Scales, repaired to Dr. Peacock's office, with twelve minutes in which to decide the matter. During the interval Misses Dowd and Bell charmingly entertained the waiting audience with violin and mandolin solos. But for the rendition of such excellent music the twelve minutes would have seemed interminable.

Immediately on the return of the judges Dr. Ivey, in his pleasing style, announced the decision of the judges in favor of the negative.

After the debate a short reception was given the audience, and many remained to speak with their friends.
